The 2010 season is now on the horizon.

The final 2010 show schedule has been finalized; highlights are:

18 shows (up from 16 last year),

16 shows (including the Fundraiser show) will be CCHA approved, (the Claresholm June 25-27 CCHA approval is tentative at this time)

8 feedlot shows, and 6 shows with limited age events.

In order to get ready for the season, consider attending our fundraiser clinic March 20 and 21 @ Thorlakson's with Dustin Gonnet and Cody Smith.

Once again, the season begins @ Thorlakson on the Easter long weekend...the show will be Friday and Saturday (April 2 and 3), so that we can enjoy Easter Sunday @ home. **Please note that the fundraiser show will be Saturday April 3.** Fitted Polar Fleece coolers will be presented to the NCHA approved class winners. For the first time in many years, the fundraiser show will be CCHA approved.

The fundraiser show is the primary funding source for our year end prizes; so please donate your winnings to your Association.

At the AGM a new financial model was approved...if you were not in attendance, the AGM minutes are on the website for your review. Highlights of the new model are:

Increased revenue from increased membership fees and the per cut office charge should approximate our annual fixed (non prize) operating costs, and

Our budget for prizes and socials will be dependent on the success of our fundraising and sponsorship efforts.

Other than the fundraiser show and those shows associated with limited age events, the 2010 show format will be 2 day shows over three days. This should result in a more relaxed show environment...please see the new class order for this new show format on the website.

Challenges with the economy will require careful monitoring of our operations and quick reaction if necessary. The new financial model is **not** designed to build surplus funds...our goal is to live within our cash flow in 2010.

I would encourage all members to support and be involved with our fundraising and sponsorship efforts; and to provide comments to help improve the association in general, and the annual AGM and Banquet in particular.

Increased personal and professional commitments have recently prompted Rob Leman to resign from the Board and chairmanship of the Fundraising and Sponsorship Committee. Rob has worked hard for ACHA for several years, and will be missed. The Board has decided to split the Fundraising and Sponsorship Committee into its component parts, with Don Smith and Tony Piatelli taking on Sponsorship, and Sandy Reid taking on Fundraising. If you have the chance, please say thanks to Rob and help Don, Tony and Sandy with their initiatives.

Always open to your comments,

Gord Roper
